## USAID

USAID is an independent federal government agency that receives overall foreign policy guidance from the Secretary of State. USAID supports long-term and equitable economic growth and advances US foreign policy objectives by supporting:

- economic growth, agriculture and trade;
- global health; and,
- democracy, conflict prevention and humanitarian assistance.

USAID provides assistance in five regions of the world:

- Sub-Saharan Africa;
- Asia;

- The Middle East.

With headquarters in Washington, DC, USAID's strength is its field offices around the world. USAID works in close partnership with private voluntary organizations, indigenous organizations, universities, American businesses, international agencies, other governments, and other US government agencies. We enable local individuals and institutions to build key elements of a vibrant society: quality education, independent media, and strong communities. To strengthen these sectors, our program activities also include conflict resolution, technology for development, gender, and youth.

Founded in 1968, IREX has an annual portfolio of over \$60 million and a staff of over 400 professionals worldwide. IREX employs field-tested methods and innovative uses of technologies to develop practical and locally-driven solutions with our partners in more than 100 countries.
