2. If submitting handwritten references, scan and submit them into your online application.

Please note:

1. Reference forms may go to a spam/junk folder in email. Ask your evaluator to check these folders.

2. If your evaluator does not receive this email, you may download a PDF reference form to give to your evaluator to complete.

3. To download the template form, choose "No" when asked if you want the evaluator to be sent a reference form by email. You will then find a link to download the form.
